

DUKE CITY
URGENT CARE

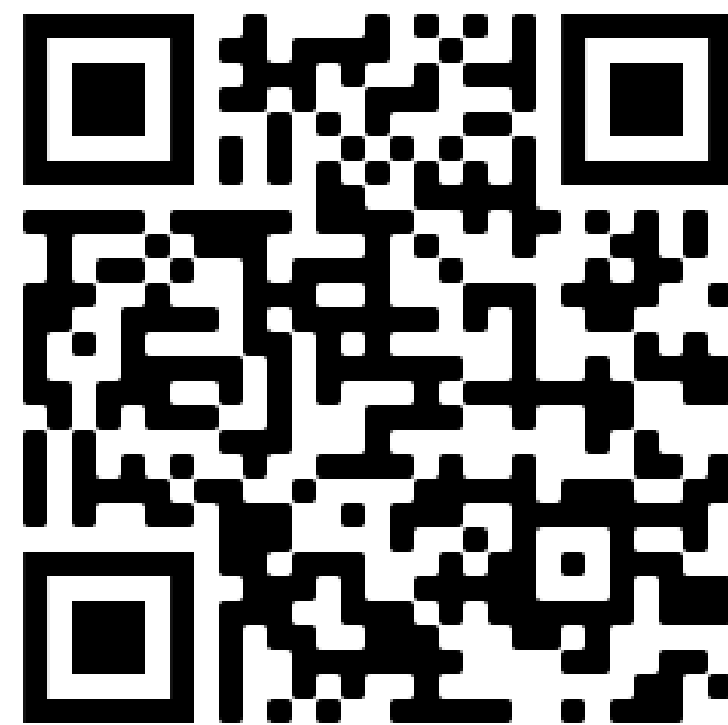

LAB RESULTS

Access your LAB RESULTS through
QUEST DIAGNOSTICS secure patient portal.

Download the FREE
“My Quest for patients”
App on your Apple or
Android Device.

Create an account on the
following website:
<https://myquest.questdiagnostics.com/web/home>

It may take 2 or more days for your account to be verified and activated for use so register/create an account TODAY if you are having labs sent during your visit.

If you are a parent/guardian, you have the option to add your children using the “My Circle” feature within your newly activated account (See Quest website for directions).

*****Duke City Urgent Care does not manage or operate Quest Diagnostics, or the app associated with them. For assistance with your Quest Diagnostics account, reach out to their provided customer service options*****
